*It's Bonspiel Time*

—Saskatoon Star-Phoenix

*ONE of the busiest spots in Saskatoon this week will be the bonspiel headquarters on the ground floor of the King George Hotel, and one of the busiest men about town will be Harry George, headquarters chief, taking money from the monster entry of 256 rinks and trying to keep everyone happy. Above, Mr. George is pictured in action and his guests at the cash register are, left to right, George Edwards, North Battleford; Wilf Summach, Asquith; Dan McAngus, North Battleford, and Glen Foster, North Battleford. The 'spiel, second largest in the world, concludes Saturday.*
