May Not Have Ice For Opening Game

Special to the Star-Phoenix

NORTH BATTLEFORD, Nov. 30.—Icemakers are trying their best to have a sheet of ice ready for Wednesday evening when Prince Albert Monarchs are scheduled to open the season against North Battleford Beavers.

It appears that this game may have to be cancelled but ice will be available for the Saskatoon juniors who are to play Beavers next Monday, unless a thaw should set in.

Across the street at the North Battleford curling rink, the five sheets of ice are coming along very nicely, and first play may take place this weekend.
