

What is Curling I/O ?

A secure, on-line, curling member system that Twin Rivers will use again this season. It simplifies the registration process for clubs and members. Curling I/O has been in use across Canada for about 5 seasons. It's used for both regular club registration as well as for playdowns, bonspiels, events, etc. If you've participated in any CurlSask playdown in the past 4 seasons you've registered through Curling I/O.

Benefits to members:

- Secure, only the club and financial services provider see your transaction
- Register from wherever you have connectivity; no need to stop in to the Club
- One less contact point during a pandemic
- enter your basic data once, no annual filling of registration forms
- pay by debit, credit card, cheque, cash or e-transfer
- no 3rd party sharing
- Local support if encountering issues
- No passwords to forget or have stolen

Benefits to Twin Rivers:

- Less administration
- Fewer calculation errors
- Improved, secure management of members' information
- No additional cost
- Fits Covid-19 management strategy

How to use Curling I/O instructions follow. The process will take you from 5-20 minutes depending upon your familiarity with on-line forms. If necessary, *[we can do your on-line enrollment at the club](#)*, by appointment. The appointment is to help facilitate physical distancing. Have your payment information, email address and email password with you when you arrive. *[You'll need access to your email while at the Club, either from a phone, tablet or one of our laptops.](#)*

To make an appointment call (306-937-2431) or email Kathy (manager@battlefordscurling.com). One of several of us will help you get registered.

Registration this season will again be split into two payments, Oct to Dec and Jan to March. The CurlSask and Curling Canada fees are paid once, on the 1st payment. Later events, such as Steak & Lobster, bonspiels and lockers can also be paid through Curling I/O.

Returning curlers please note: if your contact information has changed, please update it as follows:

- Once logged in, click the account drop-down arrow (top right), select "profiles", select your name, scroll to the bottom of the profile page and select edit. Please DO NOT create another profile for yourself.

If you don't have an account yet don't worry. We'll create one for you when you login.

We'll send you a secure link that will log you into Curling I/O immediately. No more passwords to remember!

OR

* Requires a Gmail account. If you don't have a Gmail account, use the above "Login Link" instead.

Once you've entered that address, you'll see the following page. Go to your email and find the email message that was sent to you. There you can choose to log-in directly by clicking on the emailed link (highlighted in blue in 2nd picture below) **OR** copy & paste the token provided in the body of the email into the box as in the 2nd picture below, left click "log-in" as circled.

Here is the login link you requested. Just click it and you'll be on your way.

This link is only valid for a limited time, but we'll keep you logged in and you won't have to generate a new one for a while (unless you switch devices).

Alternatively you can copy and paste this into the "Token" box if you're still on the login link screen: NsuOmJPDnw

Later, if you need to login again, please use the same email address. Your account and any curlers you register are associated with your email address, and logging in with a different email will simply create a new (empty) account.

** Select the Cash / Cheque button to arrange payment directly with the club.

If you're finished choosing your league selections, click the "How would you like to pay?" box on the bottom left and continue with your payment.

Credit card & debit payments are processed through Stripe, a secure payment system similar to PayPal. Cash & cheque payments are handled at the Club, or cheque by mail (Box 1127 North Battleford S9A 3K2). Note that debit on-line can only be handled if the debit card has a Visa or Mastercard symbol, that is sometimes an issue for Credit Union payment cards. If you prefer e-transfer, choose payment by "cash/cheque" and complete the e-transfer from your on-line banking. The email to send to is manager@battlefordscurling.com.

When all transactions are complete click the down arrow beside "account" on the top right of the screen and click / tap logout.
